Would you be willing to manually curate the archive of your social networks to organise it?										
- Yes, every few weeks, so that I can keep a fresh eye on what's important							х			1
- Yes, every year or so, that'd allow me to look back		х	х	х	х	х	х		х	7
- Yes, less often, when I think of it										0
- No, I'd prefer the curation to be done automatically, even if that means it is less accurate	X*							х		2
- No, I think a standard timeline is better than these alternative representations										0
- No, I would not be interested in your product anyway										О
* although if sth was missing, they would like to be able to manually fix this.
